# Introduction

Providing an excellent quality of education is a continuous challenge. We [understand the challenge](#) and aim to support your individual learning goals, assuring the delivery of the academic quality learners deserve.

Based in South East Asia we have intimate [knowledge and understanding](#) of the education market with its local requirements whilst still applying internationally accepted global standards.

Our [premier selection](#) of value programmes will ensure that you achieve your learning goals and ultimately have the skills to put you a step ahead in life.

Our fundamental aim is to provide an enjoyable and rewarding learning experience, [inspiring our students](#) to learn and succeed in their future.

## Gordon Sim, Esq

### **Managing Director & Founder**

BSc (Hons), MA Edin. LCGI, ACoT. VR

From Scotland, a former British Army Captain whose drive and *can do* attitude has translated into the world of education where he believes if you don't know something, go find out and if something needs done, go do it.

His aim is to support learners in achieving their own educational goals so that they may have the best opportunities in life.

“

We're here to provide **you** with the additional resources you need to allow **your** learners to succeed.

”

## Ms Aai Sheau Yean

### **Rector**

BA (Hons) HELP, MEd Bris, CIDTT

An experienced educator and academic. She has an interest in researching and developing quality education through contemporary curriculum development.

Granted a Doctoral scholarship from the University of Malaya. She will be conducting a PhD in developing a curriculum fit for the region, to enable future generations to be better equipped in an increasingly changeable world.

## Global language, global opportunities

## English Language Syllabus & Teachers

The English medium environment can be above the ability of many whose native language is not English, be they locals or expatriates.

Give yourself a level playing field by learning English

Our English language programmes use the Cambridge Assessment English syllabus and are designed for all levels of proficiency.

of webpages  
are in English

of employers in SEA cite  
bad English as grounds for  
not hiring

English is established in  
106 countries globally of  
which in 79 it is the *de  
jure* or official language.

# Cambridge English

A range of exams to meet different needs

## English Language Programmes

### Individual Goals, Individual Learning

**Assessment.** We'll conduct a proficiency assessment and discuss with you your personal learning goals before suggesting a class that best suits your needs.

**Classes.** Join one of our classes that fits your own timetable. Streamed by proficiency and age group you can learn and make friends.

**Individual.** Learn faster with 1:1 tuition or intensive English programmes .

**Examinations.** For those that require them we can help arrange and prepare you for exams.

## Programmes

Our English programmes have been crafted using the Cambridge English curriculum and are aligned to the Common European Framework of Reference.

These [international recognised benchmarks](#) will ensure that you will be understood in the classroom, the workplace, social settings and abroad. We focus on the 4 key language skills of Reading, Writing, Listening and Speaking

Our programmes are aligned to [Cambridge English examinations](#) so that you can apply to sit the examinations you require to ensure that your language abilities are recognised. This is a common requirement for University and Visa applications.

We select the teaching resources that we believe best suit the local needs as well as support you with the opportunity for self learning.

## Teachers & Trainers

Our English language teachers and all [qualified and experienced](#) teachers with a preference for those who have qualifications in teaching English. We have a mix of native speakers and local national teachers all of which are fully proficient in English.

We ensure [academic quality assurance](#) by constantly reviewing our students performance and observing lessons ensuring best practice and consistency in all classes.

## Our Fees

We want to ensure that you receive the best value for your investment.

# Fun Activities & Holiday Programmes

Have fun with learning

The **aim of teaching** is not to prepare learners for exams but to **prepare them for life**.

Our selection of fun activities and Holiday Programmes are geared towards providing learners with **life long skills** giving them the confidence to succeed.

### Speech & Drama

Your students will learn to express themselves in front of an audience whilst building confidence with language. The very epitome of learning through play.

### English Language Club

Let your students enjoy the full potential of English whilst learning its intricacies. For all proficiencies our English Language Club is language lessons, public speaking, creative writing, a book club and your school's debating team all rolled into one.

### Debate and Public Speaking

For young adults and above learn to confidently address an audience and put across a coherent argument so that you will be understood. These skills will be useful throughout life.

### Young Leader's Programme

Every one of your students has the potential to be a future leader. Give them the foundations for success with our programme geared towards improving effective teamwork, developing soft skills and providing the confidence and critical thinking to be a great team leader. Adapted from British Army junior leader's training this programme is as rewarding as it is enjoyable.
